Dear 5.1.2e

I hope this finds you well.

I am delighted to let you know that Moderna announced its plan to establish presence in the Netherlands, alongside five additional subsidiaries in Belgium, Denmark, Norway, Poland, and Sweden to support the delivery of mRNA vaccines and therapeutics locally. This announcement builds on Moderna's existing presence in Europe with our subsidiaries in Italy, France, Germany, Spain, Switzerland and the United Kingdom, as well as our International Services Business Centre in Poland.

Overall, Moderna's decision to establish a commercial presence in the Netherlands reflects the Company's continued confidence in the growth trajectory of the pharmaceutical industry in the Netherlands, as well as our continued commitment to Europe, which forms an essential part of Moderna's long-term strategy and commercial vision.

Please find more information here, and do not hesitate to let me know if you have any further questions.

Kind Regards,
5.1.2e
