Dear All,

Please find an invite to participate in a multistakeholder meeting aimed at identifying long Covid research gaps 9& 10 Dec. 2020.

ISARIC & GloPID-R is setting up a Long COVID research meeting that will take place on December 9th & 10th, 11am - 2pm UK time.
The objective of this meeting is to better understand the science behind long-term sequelae of COVID-19 (Long COVID), to identify research gaps for funders and researchers to address.

The meeting is free , open access.

To attend, please register here: 5.1.2h

Full program attached.

Best wishes,
5.1.2e
