Dear 5.1.2e

Just talked to 5.1.2e As far as she knows NRW is still interested in the MoU, the last version is on the desk of Laumann and she is expecting that it will be send to us soon. So, my suggestion is to wait a little bit longer. If we want to push for it, I could ask 5.1.2e 5.1.2e but won't do so before talking to you.

Regarding the numbers: 5.1.2e thinks that it is 37 patients all over Germany, not in NRW. There might be some misunderstanding, but she is still busy checking this. Will let me know if she hears anything. If there is any information we can give her on this, let me know. (I saw in the Q&As that we also think it's roughly 35 patients all over Germany, not just in NRW.)

Best,
5.1.2e

Hoi 5.1.2e

One interesting fact regarding the article I sent you: Laumann is quoted with the phrase that the help for the Netherlands was organized without any contract ("die wir ganz ohne Vertrag organisiert haben" (Laumann)). Might mean that he is not supporting the MoU???

Let me know if you want me to

1) get in touch with 5.1.2e to find out if we can mention the numbers as well and what exactly Laumann said to the press or
2) get in touch with Uta Loeckxs to hear informally the stavaza regarding the MoU

Best,
5.1.2e

Good morning.

Yes, he named 68 hospitals with 107 beds. Some offered 2 spots.

Fits with the figures from Münster.

Best,

Goedemorgen 5.1.2e ! Veel dank. Het aantal van 107 is voor mij volstrekt nieuw. Begrijp jij waarom juist dit getal genoemd wordt?

Dear 5.1.2e

did our press-department reach NRW?

Laumann stepped in front of the press, see picture and coverage below. The total of 107 beds capacity was mentioned. Also the fact that 37 patients from NL are already treated in NRW.
