Dear (10)(2e) (10)(2e),

I will contact LCH ((10)(2e)(10)(2e)) about the specs for protective clothing. After all, she promised to send them ;) And I understood from (10)(2e) that there are manufacturers in Korea, that by now might be available for export. Please note however that the LCH has been 'dissolved' and that for (10)(2e) I only have the general VIP-email address...

For the 5M masks, I'll first ask our DAO colleague (10)(2e) (10)(2e) for an update, because this all seems to be quite sensitive. If he has no update I may contact (10)(2e) (10)(2e). I do have his direct email address (hurray!), his regular job is at the ministry of Health so that seems like a stable contact.

Will keep you updated! (10)(2e)

Dear (10)(2e),

We received another offer from a Korean company manufacturing protective gears.

Do you hear anything about required spec for protective gears?

Best regards,

(10)(2e)

We are a manufacturer of face shields and protective clothing.
Protective clothing and face shields are all domestically produced.
All other quarantine products are sourced from Korea.
Recently, while exporting overseas, production increased slightly, so I contacted the embassy.
We can match the stable supply and delivery quality.
Please consider and contact us.
