Hi all,

So, taking everyone's availability into consideration the most convenient timeslot appears to be from 11.30-12.30, although that ever so slightly stretches the definition of a morning call. Is that time ok with everyone or does it interfere with lunch appointments?

Kind regards,

Hi all,

At the end of the call last week most participants indicated that they would like to have a follow-up call on the same topic in about 3 weeks. Therefore, we would like to set a date for the next call. We propose holding the second call on the 30th of april if that suits everyone. We will invite the same ministries as last time and provide you with an agenda beforehand.

Is that date fine with everyone?

Kind regards,
