Hi,

Hier nog een bonus:

Met deze link open je een WhatsApp scherm (op je telefoon) en krijg je toegang tot de mondiale Corona-hoax-database van IFCN.

Hier nog wat achtergrond, maar het leukste is om het gewoon zelf te proberen!

Hi everyone,

Thanks for taking the time to call with us. It was a very productive call and good to hear more on your measures and the deliberations behind them.

Unfortunately I closed the WebEx-app before copying the links some of you sent in the chat and it's not possible to access these messages after a call ends. Could you possibly send me the links again that you sent in the chat? Then I can make sure they are sent to the participants and others who work on disinformation within the Dutch government.

Kind regards,

Hi all,

For the call tomorrow the questions we received beforehand were concerning two topics:

- Execution of measures against content flagged by fact-checkers
- Evaluation of the effectiveness of different types of measures

These are the scheduled topics for tomorrow, but not all departments have provided input beforehand. So I expect several questions unrelated to these topics as well.

Kind regards,

Hi all,

So, taking everyone's availability into consideration the most convenient timeslot appears to be from 11.30-12.30, although that ever so slightly stretches the definition of a morning call. Is that time ok with everyone or does it interfere with lunch appointments?

Kind regards,

Hi all,

At the end of the call last week most participants indicated that they would like to have a follow-up call on the same topic in about 3 weeks. Therefore, we would like to set a date for the next call. We propose holding the second call on the 30th of april if that suits everyone. We will invite the same ministries as last time and provide you with an agenda beforehand.

Is that date fine with everyone?

Kind regards,
