Bijlagen: 200602 - Project Amsterdam - Comparison of SSN and Ramphastos proposals.pdf

Dear all,

As discussed on yesterday's call, please find attached a compare of the two proposals.
 Please do let us know in case you have any questions on the attached.

Separately we've reached out to 10.1.c; 10.2.g regarding the potential tax consequences and are in touch with the company to also get their assessment of the implications of both proposals.

Kind regards,
 10.2
