Subject: Update NL side: DSM call tomorrow

Gentlemen,

Our ministry of Economic Affairs has found a commercial party – DSM – who is interested in the MB PP production line from Weihton. I just had a brief call with a representative from DSM, 10.2.e. Also mentioned the availability of a 2nd line from TTRI and discussed lead-times of 2 – 3 months. DSM is very eager to move forward with this. In order to do that in a coordinated manner, I proposed to set up a call between ASML and DSM tomorrow morning at 08:00 hrs CET. Hope this time slot works for you. If not, please let me and 10.2.e know.

Ins & outs of Weihton and TTRI options have not yet been discussed. The plan is to do that tomorrow during the call. I understood that DSM's general manager is a contact of 10.2.e and that he has been in touch with 10.2.e today. I will forward the invite for tomorrow's call to you in a few minutes.

Kind regards,

10.2.e
