...
Hi [10.2.e] and [10.2.e],

As discussed this morning, please find attached an updated paper (normal password) that gives greater insight into where we think KLM is able to deliver savings in years 2023 to 2025, which will in turn allow them to comply fully with the terms of the RP.

Feel free to call me at any time this evening if you need any further detail or there is anything you wish to discuss,

Thanks and best regards,

[10.2.e]
