Hi [10.2.e],

As discussed, here is an approach that we might choose to take:

1. Update the KLM cost of implementation slide

2. KLM to write a brief addendum:

Let me know what you think. I'm happy to discuss with you and [10.2.e] as necessary.

Thanks

Thanks

Dear [10.2.e]

Thank you very much for calling me back yesterday. It helped me to inform my minister. Yesterday she spoke at the end of the day together with her colleagues of Finance and Economic affairs with [10.2.e].

11.1 With regard to sustainability and liveability 11.1

11.1

Besides that I would like to hear from PA to what extent it is realistic that such an amount fits within the restructuring plan and what you think the consequences will be.

Best regards,

[10.2.e]

BTW everything has to be clear within the next 48 hours is the idea, so we are in quite a hurry.
