

In preparation for our meeting of Monday please find some questions on component 1 (and some more horizontal considerations). Questions on component 2 and 5 will follow.

Please note that this document presents technical considerations for the benefit of the Dutch authorities by identifying avenues for further work and providing suggestions on the further elaboration of the various elements, in line with the requirements of the RRF Regulation. It does not constitute an official position of the European Commission and does not prejudge a formal assessment of the plan. All views are preliminary.

Best regards
