Geachte heer 10.2.e ,
Nadat 10.2.a eind vorig jaar de importbeperkingen vanwege Afrikaanse Varkenspest heeft opgeheven, doen er zich voor ons interessante mogelijkheden voor omtrent de export van varkensvlees naar 10.2.a . Wij zijn momenteel bezig om interessante commerciële activiteiten te ontwikkelen aldaar. Echter van onze potentiële klant hebben wij vernomen dat vanwege de complexe politieke verhoudingen de 10.2.a CVO graag een brief wil ontvangen van zijn Nederlandse counterpart omtrent de Nederlandse interesse voor export en de intenties om dit te doen op basis van certificaat No 23 van de Douane Unie.
We begrijpen dat de brief zou moeten bevatten dat:
"The Netherlands is intending to restart exports of pork to 10.2.a and intends to us for this as a basis the Veterinary certificate form No 23 approved by the Decision of the Commission of the Customs Union 10.2.a as revised in the Decision of the Collegium of the Eurasian Economic Commission 10.2.a . We're looking forward to a confirmation from your side concerning the certificate to be used" of iets in die trand.
Wij hopen dat u snel in staat bent een dergelijke brief aan de 10.2.a CVO, 10.2.e , te sturen. Aangezien wij hopen de komende dagen commerciële zaken met 10.2.a te kunnen doen. Ik hoor graag van u.
Met vriendelijke groet,
Kind regards,
