Dear colleagues,

With many thanks for your respective contributions, please find enclosed, as agreed on Tuesday and with all our apologies for the late

Dear colleagues

With many thanks for your respective contributions, please find enclosed, as agreed on Tuesday and with all our apologies for the late transmission (we'll do better next time):

- our reactions to AstraZeneca's proposal, highlighting those of our comments which we think deserve to be discussed in priority today
- a draft MoU sent by Sancfi, already including comments on our part

We will send you later a very first draft of what could be a common position of our countries, which could, if you all agree with this approach, be discussed next week among our Ministers and be used as a basis to communicate with the Commission

Looking forward to our discussion this afternoon.

Best regards,
