Dear (10)(2e)

thank you for coming back to me so quickly.  
 I understand this is the high of the vacation period. I would be happy to talk with (10)(2e) 5.1.2e  
 I wanted to have a discussion regarding COVID-19 vaccine initiatives and your position regarding the relationship between the EU project and the global COVAX Facility.  
 10-11 am should be the best timing, but I am flexible.
