Norway: The [Norwegian government](#) announced that kindergartens will reopen from 20 April, and Schools for younger children, and universities and colleges for some students will open from 27 April 2020. The ban on overnight accommodation in cabins will also be lifted on 20 April. Healthcare services such as physiotherapists and psychologists also may start operating on April 20, whereas other services involving close contacts such as hairdressers may reopen on 27 April. However, they need to comply with regulatory requirements for infection control measures.
