Onderwerp: Public Health Crisis Management- following NHS's choice

Dear Mr. (10)(2e),

I am the Vice President of Qnomy, and the head of our company's task force for Covid19 software solutions.

I contact you following the UK's official announcement, choosing Qnomy's product, for managing **NHS/DOH** testing cycle across (10)(2a), (10)(2a), (10)(2a) and (10)(2a). We hope to share our experience with you. Qnomy's product approach goes beyond the testing phase, also managing home isolation, as well as providing governments service solutions for "the day after Covid19".

In the UK, our deployment was under 2 weeks, from first contact to going live.

Qnomy is a mature company, founded in 2002 in NYC, and has since been servicing Governments ((10)(2a), (10)(2a)), the Health sector (Clalit Healthcare, Sheeba Hospital, Einstein Hospital NY), as well as Telecom (Vodafone, 3, AT&T) and Financial (Santander, RBS, BBVA).

Attached: 1 pager company profile, Solution Deck/ppt with 360 overview.

I look forward to hearing back from you and available to schedule an zoom meeting.
