Subject: Access to the ECDC COVID-19 TESSy dashboard

To NFP for Preparedness and Response, NFP for Surveillance, NFP for Threat Detection EWRS and IHR, NFP for Influenza and other Respiratory Diseases, NFP for Emerging and Vector-borne Diseases, National Correspondents

Dear Colleagues and National Correspondents

ECDC has activated a dashboard with data on COVID-19 extracted from TESSy and our Epidemic Intelligence data collection. The dashboard is restricted to the members of the Advisory Forum and the TESSy users.

For external users the link is <http://qap.ecdc.europa.eu/adfs/extensions/COVID-19-Restricted/COVID-19-Restricted.html>.

If you don't have TESSy credentials (username and password) you have to refer to your National Coordinator (in CC) that can grant you TESSy reading rights.

Kind regards
