Dear Members of the Advisory Forum,

Please find attached a draft programme for the upcoming AF meeting. We apologise for the late circulation, which is due to the fact that the agenda needed to be modified in light of the ongoing COVID-19 outbreak. As suggested by several of you, a large part of the meeting is now devoted to COVID-19. Please note that some adjustments of the agenda may still take place.

buiten reikwijdte

It is foreseen that some document(s) related to the COVID-19 will be circulated as well, but these are still being finalised.

We will keep you informed of any additional documents.

Best regards,
