Received: Thur 5/28/2020 7:57:29 AM

Dear HSC Secretariat,

Thank for this additional agenda point, this is highly appreciated. In relation to this agenda point, we noticed that the ECDC will give a presentation on the epidemiological situation outside the EU in the 'COVID-19/Corona Information group' chaired by DG HOME this morning. We would be highly interested to learn more about this presentation. Will this be presented to the HSC as well? Or would it be possible to share this presentation with the HSC?

Warm regards,

Dear colleagues,

A request was received from (10)(2a) and (10)(2a) to discuss possible common position about travel restrictions from high risk countries during the process of de-escalation of confinement and control measures, including possible parameters for decision-making.

We would like to ask you to prepare for the discussion at the HSC tomorrow.

Kind regards,
 HSC Secretariat
