

Task 4.2. Selection of best practices (M12-18)

Task leader: RIVM-NL

Participants: THL (FI), PHW (UK), HCDCP (GR), RIVM (NL), FOHM (SE), HD (NO), ISCIII (ES), RKI (DE), INMI (IT), IPHS (RS), PHE/DH (UK), NIJZ (SI), SUJCHBO (CZ).

The purpose of task 4.2 is to select best practices for integrating EU Joint Actions' output into national policy.

A workshop 2 (M24) will be organized with the Steering Committee, the Advisory Board and the Health Security Committee to allow for information exchange between European individuals involved in completed EU Joint Actions and the current JA SHARP and European policy makers, to identify the barriers and facilitators of (a) producing JA actions' output which can be used for policy-making and (b) integrating JA action's output into (sub)national policies. The outcome of this workshop will be used for the Task. 4.3.
