(10)(2e) I have done very, very little lately, due to being busy setting up our COVID19 vaccine trial on top of my usual work. (10)(2e) has been doing a fabulous job. I am hoping to get back into it a little more in the next few months, though the work on our vaccine will continue at breakneck speed.

BTW I couldn't see any comments in the attachment other than my comments

Hope you both and your families are staying well. (10)(1d)
