Dear Ms. (10)(2e)

Join Friends of Europe for a 30-minute conversation with (10)(2e), **Virologist and Member of the Group of Experts for an Exit Strategy (GEES)**, taking place via livestream on 15 May at 11:00 (CEST).

While the hunt for a COVID-19 vaccine continues, it is time to explore a future in which a vaccine is on the horizon. Obstacles – such as rampant vaccine refusal in Europe and increasing ‘vaccine nationalism’ – will complicate the way out of the current crisis. This Strategic Conversation with (10)(2e), Virologist and Member of the Group of Experts for an Exit Strategy (GEES), will look at how we learn to live with COVID-19 and manage future disease outbreaks.
