FT Digital Dialogues: The Global Boardroom - 12 - 14 May

Free to join - globalboardroom.ft.com

Dear (10)(2e)

The coronavirus pandemic is causing massive disruption to economies, businesses and markets across the world.

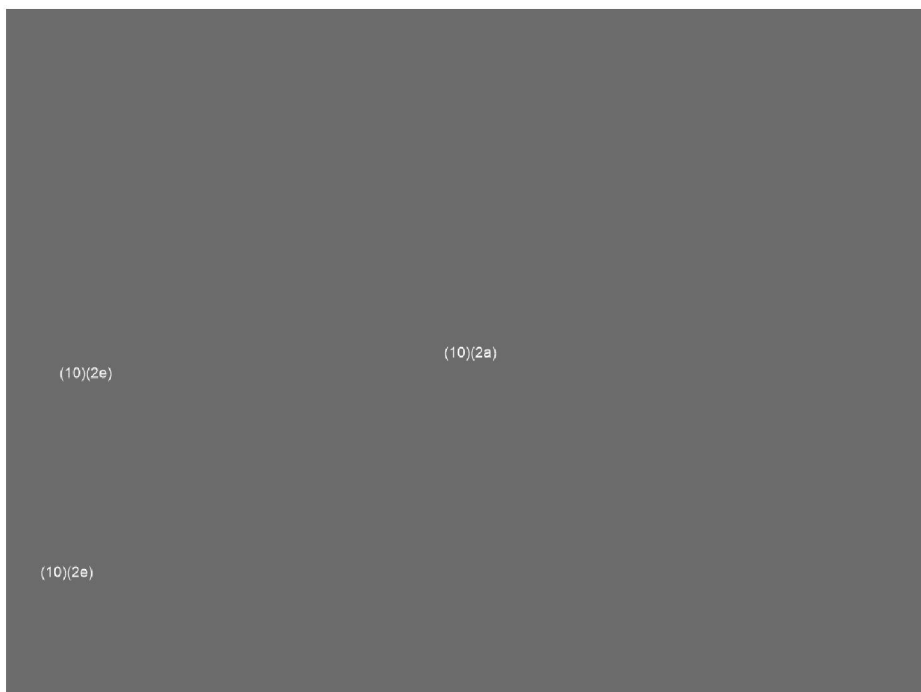

- What is the exit strategy?
- How quickly will the global economy emerge from hibernation?
- What price will the world ultimately pay?

Held in partnership with TNW, this global digital conference will gather the most senior decision makers and leading minds in policy, business, tech and finance for three days of live online conversations with top FT journalists on the impact of the pandemic and what is required to shape the optimal conditions for recovery at this most challenging of times.

The full agenda has been confirmed and is available to view on the website.

The event will be held digitally and is free to join. You can find out more and register here: globalboardroom.ft.com

Speakers and moderators include:
