Dag allen,

Ter info: gisteren was er weer een bijeenkomst van het Clearing House, ditmaal over testen. GMT-collega 5.1.2e (op dit moment in de Taskforce Diagnostiek) heeft de CCH enquête over testen ingevuld, meegeluisterd met de bijeenkomst en een verslag geschreven (zie bijlage).

CCH heeft ook de presentaties (over o.a. testing strategies en testing capacity) van de bijeenkomst gedeeld, zie overige bijlagen.

Er is ook weer een volgende bijeenkomst gepland (vrijdag 5 juni). Deze bijeenkomst zal gaan over het Emergency Support Instrument; industrial reconversion flagship.

Groeten,
5.1.2e

[illegible]

Dear Member States' and associated countries' contacts,

Thank you very much for your participation in today's meeting on Testing – the discussions and your contributions were highly valuable.

Please find enclosed the related presentations that we can disclose from this meeting.

We will send you a short summary and the results of the Sli.do poll during next week. Should you still want to comment on the survey and add some information (some of you indicated that you may want to do so), please send us any comments **before Tuesday 02/06 12h00**.

Kind regards,

5.1.2e
