

I was indeed looking into this, but given the fact that i have limited access to e-mail these days, it would be appreciated 5.1.2e if you could coördinate this!

As this is limited to EU response, i would not make the (virtual) delegation too big.

1 person from GMT 5.1.2e And 1-2 from IZ plus if interested a colleague from PG 5.1.2e seems already quite a delegation. I am able to partipate, and perhaps you or 5.1.2e could join as well from IZ-EU team?

Dank 5.1.2e De Duitse ambassade is actief bijeenkomsten aan het organiseren zeg!

Raar, ik kan de uitnodigingsmail echt niet terugvinden in mijn inbox.

5.1.2e jij wel? En is dit wellicht in PO met GMT of PO met DGV van gisteren aan de orde geweest?

5.1.2e ik schat in dat deze bijeenkomst vooral een relatienetwerk-functie heeft en geen inhoudelijke (bijeenkomst duurt ook maar een half uur!). Lijkt me handig om VWS-deelname enigszins te coördineren, al is het maar om te voorkomen dat niemand deelneemt. Handig om bij jullie bezoek morgen aan de Duitse ambassade te informeren wat omvang en samenstelling van Duitse zijde is.

Wil jij, afhankelijk hiervan, een kleine VWS-delegatie activeren (iig iemand van GMT en paar IZ-collega's w.o. Iig jij en ik, en misschien 5.1.2e

Alvast veel dank!

Dear colleagues and friends,

I hope you are doing well in these unusual times and are staying healthy even though COVID-19 has flared up again. The outbreak has shown us more clearly than anything else how vulnerable our healthcare systems and our societies are. Measures have been taken to control the virus by the individual EU member states and at EU level, but the fight is far from over. I think all of us are very much aware of this.

I am therefore all the more grateful that two outstanding representatives of institutions that play a key role in the area of public health in the European Union have agreed to speak to us and answer our questions on this subject:

5.1.2e

and

5.1.2e

I would like to cordially invite you to participate in a **Webex event at 12.30 p.m. on Tuesday, 29 September.**

Draft programme:

12.30 Welcome by 5.1.2e to the Netherlands
