Dear [redacted] 5.1.2e

This is great, thank you for your effort with this.

I attach what France Sentinelles sent us for 5.2.3, 5.2.4 and 5.2.5 - something along these lines (it can be shorter), is what we require. Let us know if you need anything else from our side regarding these 3 deliverables, we are happy to help.

With a document like this for deliverables 5.2.3, 5.2.4 and 5.2.5, and [redacted] 5.1.2e declaration from Nivel, the only outstanding documents from you are those from the lab.

All the best (and thanks),
