

**From:** (10)(2e)  
**Location:** Inlog in afspraak  
**Importance:** Normal  
**Subject:** EUPHA WORKSHOP HEALTHY GATEWAYS VOORZITTEN  
**Categories:** Red Category  
**Start Date/Time:** Tue 10/13/2020 10:00:00 AM  
**End Date/Time:** Tue 10/13/2020 11:30:00 AM

Dear (10)(2e),

we are happy to send you the link to join the live session **"4.A. - Round table: "Points of entry in light of the COVID-19 outbreak – a European perspective"** on **Tue, 13 October 2020 at 12:15** Italian time as chair/speaker/panellist during the 16th World Congress on Public Health:

(10)(2g)

Remember **to access the link 15 minutes before the start of your session**. This is important for the last audio/video checks. **Please note that this link is valid for the indicated session only**. If you are a live speaker, panellist or chair of another session, you will receive the link to access the other live session in a separate email.

**For problems with accessing the Live platform please contact** (10)(2e) [@thetriumph.com](mailto:(10)(2e)@thetriumph.com).

Please note that you will be able to upload your presentation at the following link until Monday 12 October 2020 at 23.00 Italian time:

[Link to upload speaker's presentation](#)

After Monday 12 October 2020 at 23.00 Italian time, we invite you to send your presentation to (10)(2e) [@thetriumph.com](mailto:(10)(2e)@thetriumph.com).

**If you are the Organiser of the session, we kindly ask you to make sure that all the speakers have received the link to access the live platform.**

In order to ensure the success of the live session, please remember:

- Once you enter in the Live platform, please register with your name and surname so that attendees can know who is speaking.
- To check if the camera of your computer frames you correctly and if your microphone is set up in the right way.
- To keep your microphone off while you are not speaking.

**Important Information for Chairs/Moderators/Organizer:**

- Timing during the live session is very important so we kindly ask you to help us keeping the session in time by informing speakers/presenters about their remaining time.
- A technician will host the session. He will need your help to manage technical issues such as activate the tools or share presentations/videos. Please introduce the next speaker before giving the floor during the session.
- You will have to check the chat box to look up for interesting questions that attendees may ask throughout the session.
- Attendees may interact with the hand tools to agree/disagree or raise their hands. You will need to inform the presenters on how the audience is reacting to their speech.
- In case presenters have problems with connection or some other issues with their presentation, please think of a backup topic to discuss while the problem is solved.

**Important Information for Speakers:**

- Keep your presentation on your desktop in case of need.
- Remember not to touch any tools while your colleague is presenting.
- A maximum of n. 4 speakers can have the microphone on.

We kindly invite you to use the Congress graphics as backdrop. You can download it [here](#).

We are looking forward to welcoming you to the *16th World Congress on Public Health 2020 - Virtual Edition!*

We remain at your disposal for any further information.

Best regards,

The Organising Secretariat

We are writing further to the communications below about the upcoming joint JAHG workshop entitled “Points of entry in light of the COVID-19 outbreak – a European perspective”, at the World Public Health Conference, WPHC (online). The session at WCPH is now scheduled on **Tuesday, 13 October from 12:15 to 13:15h (CET)**.

We would like to invite you to chair the session together with Dr. (10)(2e) as suggested by the (10)(2e) Prof. (10)(2e) (see communication below). We would very much appreciate and be more than happy to have you co-chairing the session with all your expertise in the field, thinking also back to our successful last session at the EUPHA meeting 2019 in Marseille that you chaired together with (10)(2e)

Meanwhile, Dr. (10)(2e) deputy head from MoH in (10)(2e) and (10)(2e) from (10)(2e) Airport have agreed to give short presentations of their country-specific experiences with COVID-19 at PoE. Thus, in conjunction with a brief JAHG overview regarding COVID-19 by Dr. (10)(2e), (10)(2e)s first insights from the interview study (as you are well aware) and a short presentation on digital passenger locator forms for contact tracing by Dr. (10)(2e) (tbc), the session will give a quite interesting and broad view on European PoE in the COVID-9 pandemic.

We hope that you will accept the invitation, so please let us know whether you are available for chairing the session.

Best regards from Hamburg and Thessaly  
(10)(2e) on behalf of the JAHG group
