The practice session will be used to check your video, audio and screen share for your presentation. Please connect preferably from a computer, in a well-lit, quiet room.

IANPHI Communications Team (10)(2e) in the Atlanta office) will be the technical Zoom host/co-host.

3:00 Webinar starts

There will be no need to disconnect/reconnect, just stay on. (10)(2e) will hit "broadcast" to allow participants to start joining the webinar and **start recording the webinar**.

(10)(2e) waits a few seconds for all participants to join then opens the session and introduces himself.

(10)(2e) shares some housekeeping information with all:

- The panelists' slides will be made available on the IANPHI website and shared with participants after the webinar
- Participants will be able to ask questions during the Q&A session by submitting them in writing in the Zoom Q&A box at the bottom of their screen

(10)(2e) introduces the topic of the webinar – behavioral science during COVID-19 – and introduces the four panelists.

3:05 First presentation: Theory-Based, Rapid-Response Work of the Dutch Corona Behavioral Unit
