Executive Summary

Key Deliverables:

- Staff on full shift as scheduled with CMC
- New staff being integrated into CMC
- EMS Courses- taught to the Curacao Emergency Services

Risks & Issues:

- Curacao Medical Center remains in a reactive stance to a possible Covid Outbreak instead of proactively taking measures to mitigate risk to staff.

Progress:

- Continuing coordination with CMC leadership and department leaders to refine schedule.
- Mechanical Ventilation class scheduled for 7/10.

Next Actions:

- Continue COVID physician meetings this week to finalize COVID management protocol. Work on Scenario based training with CMC staff. PPE procedures.
- Continuing to advocate for the Old Hospital for treatment of COVID patients
