## Executive Summary

### **Key Deliverables:**

- Staff on full shift as scheduled with CMC
- New staff continuing CMC orientation
- EMS Courses- taught to the Curacao Emergency Services

### **Risks & Issues:**

- Curacao Medical Center remains in a reactive stance to a possible Covid Outbreak instead of proactively taking measures to mitigate risk to staff.

### **Progress:**

- Continuing coordination with CMC leadership and department leaders to refine schedule.

### **Next Actions:**

- Continue COVID physician meetings this week to finalize COVID management protocol. Work on Scenario based training with CMC staff. PPE procedures.
- Continuing to advocate for the Old Hospital for treatment of COVID patients
