Dear (10)(2e)

It means that we (I&W) cannot allow flights between Statia and St. Kitts and vice versa. The Government of St. Kitts & Nevis has restricted all travel above their airspace. Therefore, to state that we allow travel to St. Kitts & Nevis is not practical as it will be in conflict with the policy of the government there.

Respectfully,

(10)(2e)

Dear Ms. (10)(2e),

Thank you for your reply.

Just for clarification: by mentioning that *'it is advised that for now St. Kitts & Nevis is excluded from the list of countries'*, do you mean that St. Kitts & Nevis can be excluded from the flight restrictions, so that flights from St. Kitts & Nevis to the BES are allowed from August 1st? Could you please confirm this?

Kind regards,

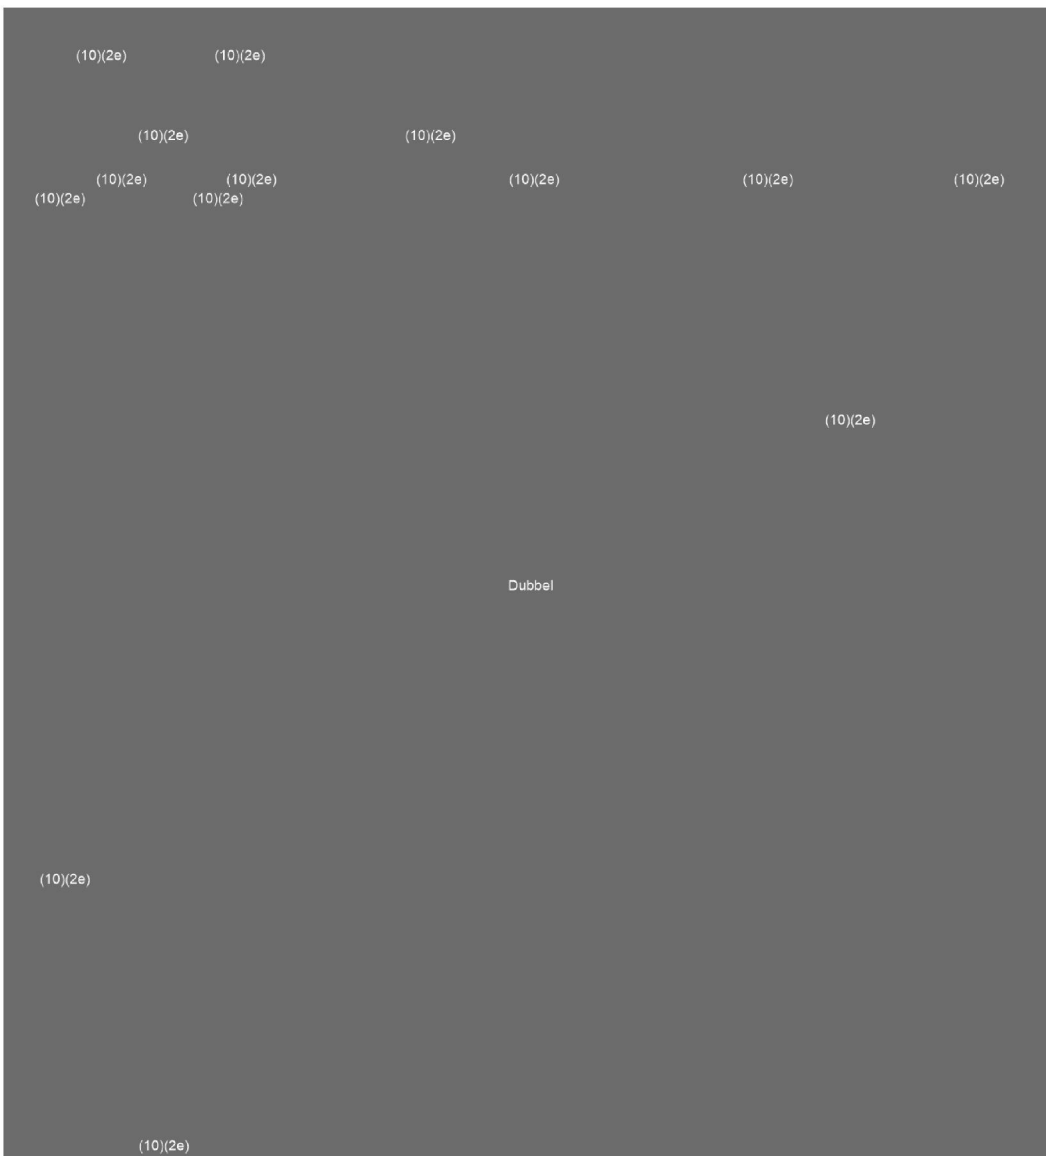

(10)(2e)
