Call for tenders SANTE/2020/C3/043 for the development, production, priority-purchasing options and supply of COVID-19 Vaccines for EU Member States ("Tender")

Dear Sir or Madam,

This letter is given in support of the Tender submitted by Pfizer Inc. (as Group Leader) and BioNTech Manufacturing GmbH as a Joint Tenderer (Member of the Group).

On 1 October 2020, BioNTech RNA Pharmaceuticals GmbH ("RNA") will transfer the business and assets relating to its manufacturing operations to BioNTech Manufacturing GmbH ("BMG") in connection with an intra-group reorganisation (the "Transfer"). RNA and BMG are wholly-owned subsidiaries of BioNTech SE, the BioNTech group's parent company.

As part of the Transfer, RNA will transfer to BMG the following manufacturing licences and GMP certificates, which are currently in its name and copies of which have been provided in support of the Tender. New licences and certificates will be issued in the name of BMG with effect from 1 October.

- Manufacturer's Authorisation No. 2020_0053
- Manufacturer's Authorisation No 2020_0045
- GMP Certificate No. 2020_0047
- GMP Certificate No 2020_0035

To date, BMG has used RNA's facilities for production of clinical trial materials. Following the Transfer, BMG will continue such production activities and the transfer of the licences and certificates to it will enable BMG to fulfil the necessary legal and regulatory expertise required for the purposes of the Tender.

Kind regards,
