Dear [REDACTED]

Yes it's correct. I thought it was strange, however, I've extracted the Order Form from the APA as is.

And it states: This Vaccine Order Form relates to the order for the Member State's full Allocated portion of the Base Volume Commitment [...] as set out in the Allocation provided by the Commission to Contractor

1. And then refers to: By execution of this Vaccine Order Form, the undersigned Member State warrants to Contractor that:

it is irrevocably and unconditionally bound by the terms of the APA (as executed by the Commission on behalf and in the name of the Participating Member States) as if the Member State had executed the APA itself; which contain the price.

So legally speaking, I understand we are covered.

I put my colleagues from Legal Service in cc.

Best regards,

[REDACTED]
