Dag [REDACTED] nummer 3 meld zich nu voor het grote contract. Is het een idee dat ik voorstel dat wij een eerste voorzet doen op basis van contract wat we hebben liggen (Eurofins) en dat jij dat laat aanpassen aan de mou met synlab? Let me know, wij komen nu even om in hardcore beleidswerk en we moeten synlab nu "aan" gaan zetten. Kun jij dat leveren?

Dear [REDACTED]
I hope you enjoyed a relaxing weekend,
We had the first touch point today w/ LCDK (and several follow-ups w/ the Coron-IT Team, as well as w/ RIVM) to continue progressing towards our mutual objective.
Could you pls advise how we can best proceed re long form contract drafting?
As I believe I had mentioned, we are ready to commit and prepare a first draft based upon the MoU? Is this the right approach from your standpoint?
Thanks in advance,

[REDACTED]
