Hi 5.1.2e
I have just spoken to the President. Short story – we have a deal.
I will ask our legal team to work up the addendum to the contract as follows:
• October
O 225k with consumables O 25k without consumables
• 1 st November – 13 th August
o 350k/mth with consumables
• In January 2021 the NL Government will confirm if they want to extend for another 1.5mths at 350k taking term through till end September 2021.
I will send this through to you ASAP.
Kind regards 5.1.2e
