Moderna early allocation chart v1 RB 161120 Austria.xlsx
 Dear
 dear 5.1.2e and 5.1.2e
 thanks a lot for your efforts on preparing an informal Bazaar on Moderna.
 Austria would like to stick to the pro-rata as suggested in the Bazaar table (taking into account deduction of doses for EEA).
 Please apologize for slight delay with our answer.
 Best regards,
 Federal Ministry of Social Affairs,
Health, Care and Consumer Protection
