Subject: BioNTech/Pfizer Bazaar table - revised version 18/11/2020

Dear Members of the Steering Board,

This email is sent on behalf of 5.1.2e 5.1.2e 5.1.2e 5.1.2e

“As EC SecGen has requested feedback already today from EUMS, I send the near-final allocation table. If somebody opts out today or tomorrow, it will obviously change.

The only change from the previous version (sent on Sunday) is that BG wants a lower share. The extra volume is shared pro rata with those that have requested more.

I understand BG is doing this partly in appreciation of the flexibility expressed by other EUMS in sharing doses of the J&J vaccine, for which BG had decided to opt out.”

Best regards,

This email comes from [REDACTED] but is sent on behalf of [REDACTED].

As agreed yesterday, please find attached a revised version of the BioNTech /Pfizer Bazaar table, for your endorsement **by tomorrow 12h00**.

Please note that Switzerland has been removed and the table follows the broad principles agreed yesterday: any surplus (from those wanting less) is shared pro rata among those countries that want more.
