Dag allen,

En Hugo De Jonge benadert laboratoria in Duitsland ivm capaciteit...

Wat betreft waterbedrijven, er is voor zover ik weet 1 lab met een oud KingFisher model (KingFisher ML, vrij lage throughput): KWR Water Research Institute in Nieuwegein.

Hoi Allemaal,

Dit wordt vandaag vermeld in het nieuws. O.a. water bedrijven zijn hierbij aangesloten (daar hebben wij al een footprint van KF + QS5)
