Dankjewel 5.1.2e

Dat klopt, het bacterial gastro enteritis panel en het Clostridium difficile panel mag in de -20°C. 5.1.2e of ik komen het dan na onze vakantie halen.

Groet,

5.1.2e

Er komt een heel stel panels aan, beetje ongelukkig moment maar in het voorjaar kon het er niet bij en in het najaar zal het ook niet goed uitkomen. Als het niet lukt om het uit te voeren, geen nood, je hoeft niet perse elk jaar alle panels te doen voor je accreditatie.

Beheer: 5.1.2e zal ze in ontvangst nemen als het volgende week komt, dan heb ik vakantie

De vroegste deadlines zijn 11 september dus nog redelijk wat tijd, maar er zijn nogal wat mensen op vakantie en er zit een typeringspanel bij dus niet te laat beginnen

Voor de bacteriologie zal het materiaal eerst nog even bewaard moeten worden in de -20 kamer begreep ik van

5.1.2e Als dit anders wordt kan je bij 5.1.2e het panel halen.

If you have any problems please contact us via the online 'Contact Us' in your QCMD profile area, select 'Shipping and Panel Receipts' and add a comment with your requirements, and QCMD will strive to assist you.

\* Please note: You will receive the challenge 2 panel at the same time as challenge 1. Please store the challenge 2 panel as instructed until QCMD notify you when the testing and results return period for this phase of the EQA programme is open.\*

## WHAT TO DO WHEN YOU RECEIVE YOUR SAMPLES

1. **STORAGE** - All panel components must be stored as described on panel contents label.
2. **DOWNLOAD INSTRUCTIONS** - Login to your QCMD Participant Profile Area ([www.qcmd.org](http://www.qcmd.org)), download and carefully read all relevant instruction manuals before proceeding with testing. Note that further instructions for submission of results for Gastro programmes have been provided so please ensure you read the current version of the instruction manual.
3. **CONFIRM RECEIPT** - Confirmation of receipt of the panel should be made immediately by completing the online panel receipt form.

## Additional information for EQA result return process

### Existing Participants

Please review your workflow to ensure it is up to date and make any necessary amendments.

### New Participants

Through your QCMD EQA profile you will need to go through the following steps:

- Step 1) Enter laboratory equipment / platforms      "Laboratory setup"  
 Step 2) Configure laboratory workflows              "My Workflows"

You only need to do this once in advance of your results return.

So, when you come to return your results you simply select your workflow from your profile dashboard and ENTER your results.

For further information regarding setup please refer to the Help - EQA Management within your QCMD ITEMS Profile.

Kind regards,
