Onderwerp: Policy Wisdom Invitation: Call-to-action meeting on the role of serology to strengthen vaccination initiatives and policies for COVID-19

Dear Dr. [redacted],

Policy Wisdom LLC is a global consulting firm dedicated to shaping public health policies and advancing solutions to public health issues around the world. Given your outstanding experience in the field, we are delighted to invite you to participate in a call-to-action meeting on the role of serology testing to strengthen vaccination initiatives and policies for COVID-19. Our aim is to discuss and agree on a call-to-action that can encourage an immediate response and support timely and critical decision making in the European region.

Giving the current relevance of this project, we would like to finalize the call-to-action as soon as possible. We would be honour if could join us on the **27th or 28th of this month** (final date to be confirmed). The meeting will have a duration of 3 hours and 30 minutes, in which we will ask a series of questions on the role of serology testing within immunization policies, particularly given the recent vaccination initiatives for COVID-19.

We greatly value your interest and in recognition of your participation, we offer a monetary compensation for your time. Please find attached the invitation letter with additional details.

Our kindest regards,

[redacted], [redacted]
