Hoi [redacted] 5.1.2e

Vandaag is er een EWRS notificatie binnengekomen van Spanje. Volgens [redacted] 5.1.2e kon ik dit naar jullie doorsturen. Als er een antwoord is geformuleerd dan kan dit in de onderstaande link worden verstuurd of het kan doorgestuurd worden naar de voorwacht mailbox dan zetten wij dit in EWRS. Moet dit ook nog in crios?  
Hieronder het bericht.

Dear colleagues:

We would like to ask you about the vaccination eststrategy of your country in Long term care facilities (LTCF). What is your attitude if the day of the vaccination there is a case or an outbreak at the LTCF? If the attitude is deferral vaccination, for how long? Could it be advisable, by contrary to give priority of vaccination to those LTCFs (or other institutions or locations) that are having an outbreak?

Thank you very much  
Kind regards  
Spanish EWRS team

Groeten,

[redacted] 5.1.2e [redacted] 5.1.2e [redacted] 5.1.2e
