Received: Fri 1/22/2021 12:34:42 PM

Dear colleagues,

We would really appreciate if you could send the study protocol for the vaccine effectiveness studies in the Health care workers, in order to read it before the meeting on Tuesday and envisage our possibilities of implementation in [5.1.2a]

With kind regards,

Asunto: ECDC meetings on development of COVID-19 VE protocols: 26th and 29 January CET 14-16

Dear colleague,

ECDC is planning to implement vaccine effectiveness studies in the EU/EEA and will hold a consultation to discuss study designs and methods of studies against severe disease through a hospital setting and in a selected target group (health care workers). The aim is to inform the creation of EU/EEA study protocols. In order to implement the studies, ECDC is working closely with Epiconcept who has been awarded the project.

We would like to invite you to contribute to the Expert meeting on the development of EU/EEA study protocols for COVID-19 vaccine effectiveness studies.

The dates of the meeting are the following:

- **Tuesday 26 January 2021: 14.00-16.00hrs (CET) – Health care workers study**
- **Friday 29 January 2021: 14.00-16.00hrs (CET) – Hospital study (severe disease)**

Please let us know if you able to participate to the meeting by:

Responding to this email and filling in the ECDC annual Declaration of Interest by **Thursday 21st** (it is possible you have filled in this document before, if so there is no need to fill it in again), see instructions attached.

If you are unable to join the call and would like to propose another colleague, please let us know and we will evaluate the possibility for him/her to join the meeting.

Details on the connection via zoom will be sent by Epiconcept.

Attached:

- Agenda
- Scope and purpose
- Instructions on the annual Declaration of Interest
- I-MOVE COVID-19 study protocol (for information only)

We thank you in advance and look forward to your participation,

With kind regards
