Hi [redacted]

Aangezien de gezondheidsraad ook ex-COVID ptn nu adviseert om pneumokokken vaccinatie te geven op indicatie van de longarts, vraagt MSD hoe dit is geregeld...

Zie de drie slides

Wie weet daar antwoorden op/kan ik daarvoor bevragen?

Dear [redacted]

Sorry we did not get the chance to talk to you this morning - we completely understand that this is an extremely busy period for you.

[redacted] has kindly suggested some next dates when you are available for an appointment from the end of March, but in the meantime we would really value your feedback and insights on pneumococcal vaccination and ex-COVID patients which we referred to in the Horizon scan (slides attached).

This topic is crucial for us in our planning and activities around pneumococcal vaccination to ensure that vaccines reach the patients that need them.

Perhaps it is possible to plan a shorter appointment on this specific topic with you, in a shorter timeframe and not wait until the end of March?

Thank you for letting us know.

Best wishes,

[redacted]
