Onderwerp: EU COVID-19 Vaccine AstraZeneca recommended for use in the EU

Dear Minister De Jonge, Dear Minister Van Ark,

Herewith we would like share with you the news that EMA has just recommended granting a conditional marketing authorization (CMA) for our COVID-19 AstraZeneca vaccine.

We anticipate the European Commission will shortly approve a CMA for active immunisation to begin across EU Member States and have shared last week the latest delivery schedules pending approval.

AstraZeneca Covid-19 vaccine:

- Authorisation is for active immunisation of **adults 18 years or older**
- The authorisation **recommends two doses administered with an interval of 4 to 12 weeks**

We hope with this approval we can contribute to exiting this Covid crisis. We would be more than happy to brief you and your teams in more detail if helpful.

Please do not hesitate to reach out should you have any questions.

Kind regards,
