Dear all,

To facilitate the discussion at tomorrow's SB, I attach three Bazaar tables with the following comments:

MODERNA TOP UP

The legal negotiations are going very well. Attached the Final Bazaar table. It will not be communicated until after the opt out period, but should now be considered final (after the latest "fix" for IT and SI).

NOVAVAX

There is great demand for this vaccine. Only [REDACTED] and [REDACTED] want less than pro rata (@ [REDACTED] in line with previous agreements I have put 10,000 so that you do not have to opt-out). Everybody else has gotten pro rata plus the pro rata part of the very small surplus from [REDACTED] and [REDACTED]. Please review and share any observations by COB Monday 15th.

VALNEVA

As demand is higher than Initial Doses we should go straight to the Optional Doses as well. In the attachment I have entered the sum of the two request columns. I am still missing information from IR and RO. To all: Please review and share any observations by COB Monday 15th

See you all tomorrow!
