Hi,

Thanks for the preparation...great!

Please find some changes suggested.

With respect to the excel: can't we just say 1 item for 6.2 and 6.4 and indicate the unit price as the total price?

Best wishes [5.1.2e]

Importance: High

Dear [5.1.2e]

I attached the offer. I was wondering if you could add a sentence about sequencing capacity at RIVM (I am sorry, I have no idea which platform we use and how many samples we can process) and I was wondering if you still wanted to add a remark about D6.3 or can we provide this with the help of the sequencing department at RIVM?

I can already send it to everyone else, but I thought it is handy to check with you first.

Best,
[5.1.2e]
