Dear [redacted] en dear [redacted],

The State of the Netherlands appreciates the very kind offer of the Jack Ma and Alibaba Foundation to support or donate. Thank you.

At this moment we are in an urgent need of mouth masks (FFP2 specifically). Could you please tell me more about how you could help us, which mouth masks you could supply and within which time frame? This week especially the lack of mouth masks is causing trouble within our country and, more so, within our hospitals and at the general practitioners.

I look forward to your reply.

Thank you in advance.

Kind regards,
