Dear [REDACTED]

Thank you for your reply. We would like to offer 500,000 masks as a donation from Jack Ma Foundation and Alibaba Foundation. Please kindly find the attached file. It includes the information we need to ship these products. We can start to source and will try to ship them to Europe this weekend (via Liege). We would appreciate very much if you can provide the necessary information at your earliest convenience.

Best regard,

Dear [REDACTED]

Thank you for your e-mail. One time surgical masks would be most certainly also very welcome. There are also shortages of those type of masks.

Please let me know what I can do or what you need to make the shipment possible.

I would like to thank you again for your help.

Kind regards,

Dear [REDACTED]

Glad to meet you via email. I have checked with our team. Currently, we only have one time surgical masks available, which can be shipped next week to Europe. If it is acceptable, we can check how many we can provide as a donation to the Netherlands. As the supplies are limited, we would appreciate you could confirm at your earliest convenience so that we can arrange shipping accordingly. Thank you.

Best regards,

Dear sir 5.1.2e en dear sir 5.1.2e,

The State of the Netherlands appreciates the very kind offer of the Jack Ma and Alibaba Foundation to support or donate. Thank you.

At this moment we are in an urgent need of mouth masks (FFP2 specifically). Could you please tell me more about how you could help us, which mouth masks you could supply and within which time frame? This week especially the lack of mouth masks is causing trouble within our country and, more so, within our hospitals and at the general practitioners.

I look forward to your reply.

Thank you in advance.
