

SMMC has determined it takes 24 sets of full PPE to care for the needs of one Coronavirus patient over a course of 24 hours, thereby we request the following items.

Requesting 2000 each of the following:

- Extra Large zip lock type bags to hold a set of personal protective equipment
- Disposable Impermeable Isolation Gowns
- FFP2/N95 respirators
- Goggles
- Caps
- Disposable Aprons
- Disposable nitrile gloves (all sizes helpful)

Also requesting:

- 500 hand hygiene alcohol gels (at least 85% alcohol volume)
- 5 cough etiquette stations on stands
- 500 boxes square tissues to fit etiquette stations
- 500 procedure masks
- Money to support two isolation rooms (mobile containers) \* 5.1.2e is obtaining a quote\*
- Money to support communication needs (signage, making Covid-19 preparedness videos to display on internal educational TVs throughout the hospital)
