Dear All...

Wouldn't be easy if I talk directly with pass each time?

5.1.2e on the phone at the Dutch Embassy directly instead of doing this triple

We are already fully protected by your percentage agreement business-wise.

I think that if I would talk directly at phone in a conf call with 5.1.29 ... and maybe the support of a dutch translator at your embassy... all would be more clear.

Please let me know what you think about it

kind regards
